### OPTIMAL RESOURCE UTILIZATION

The Management strategically utilizes the available resources that can effectively help the college to be more effective management. The institution adopts newer strategies which helps the institution to grow. The management also utilizes the human resources to the betterment of the institution. The institution uses the service of qualified in house teaching staff to conduct inter departmental courses and provide the training for the various courses like Basic Implant module (Surgical and Prosthetic modules), aesthetic dentistry workshops for Post graduate students, Basic life Support workshops for the.

The various MOU that the college has established with various organization help in the resources for research a few such MOUs that have been inked are mentioned below.

- Regional Medical Research Centre, Indian Council of Medical Research, Belgaum which helps , Identify common thrust areas of research keeping in mind the millennium development goals and national priorities in the field of Oral health sciences and health care ,
- PS3 Laboratories LLP Hyderabad , APTUS Therapeutics Private limited Hyderabad , Transgene Biotek Limited, Hyderabad, Centre for Liver Research & Diagnostics, Central Laboratory for Stem Cell & Regenerative Medicine, Hyderabad to undertake exchange of academic, research and training materials
- MOU with Satya Hospital Laboratory, Satya Hospital, Kalaburgi , Inter lab comparison of samples.
